You will need any safe center fire rifle, any sight, scopes, maximum 6x power variables set at 6x power or less , and 20 shots plus sighters (2 approx.) and alibis for each match. Fee is \$15.00 for five matches, targets, supplies and awards. Ten shots for record standing slow fire in 10 minute time limit, 10 shots for record from standing to prone position in 35 seconds for 5 shots, while at prone position 5 shots for a total of 10 shots in 70 seconds. All shooting will be at 100 yards from inside our heated range house.

We will schedule shooting to start at 9:30 AM, but the ranges will be closed at 9:00 AM to hang targets, register, get the coffee going, shovel snow, start a fire, etc. And the ranges stay closed except under authority of the range officer, until the match is completed.

Ladies are encouraged and welcomed. Just hope they don't beat us too badly.

New shooters will establish their average during the first match. Must shoot on league day or in advance, and there is a maximum of two advanced shoots allowed. No make up matches allowed.

We'll have juniors (boys and girls) shooting on the shorter range at the same time we're shooting. They are required to have an adult with them while shooting. If you can help them (while Dad or Mom shoots) please do so. Just remember, a guy never stands as tall as when he stoops to help a child.

All shooters will need to have a club waiver signed and on file before you can shoot. Waivers are available at the club house. All shooters must sign range book in the club house and pay any range fees due.

Best wishes and good shooting.
